Presents:

Socialize and Exercise

Hosted by EverFit Physical Therapy & Fitness Center

Socialize and Exercise is a program run by physical therapist, Jackie Moss, and facilitates language and social skills by using sensory exercise. These small group sensory treatments are directed towards children who may have ADHD, auditory processing disorder, autism, lack of coordination, or developmental disabilities.

Classes take place on Friday evenings and Thursday afternoons, and each child must be signed up and scheduled ahead of time. Call Jackie Moss at (609) 220-9023 for pricing and scheduling.
